

## PRESS RELEASE

27 February 2015, for immediate release

### Shareholders complete

Three months after its foundation, the services company of the Transmission System Operator Security Cooperation (TSC), TSCNET Services GmbH, welcomes three new shareholders: The Danish TSO Energinet.dk, the Hungarian TSO MAVIR, and the Polish TSO PSE have been registered as shareholders, following an increase in share capital. Now all thirteen member TSOs of TSC hold an equal share of ownership.

TSCNET Services provides tailor-made 24/7 coordination services for operational planning, forecast data merging, congestion assessment and capacity calculation for the control centres of electricity TSOs in continental Europe.

###

### TSO Security Cooperation

The Transmission System Operator Security Cooperation (TSC) was launched in 2008 as an initiative of equal partners, to foster regional European cooperation for system security with a decentralised approach. Its member TSOs are 50Hertz (Germany), Amprion (Germany), APG (Austria), ČEPS (Czech Republic), ELES (Slovenia), Energinet.dk (Denmark), HOPS (Croatia), MAVIR (Hungary), PSE (Poland), Swissgrid (Switzerland), TenneT TSO (Germany), TenneT TSO (the Netherlands) and TransnetBW (Germany).

It is the TSC TSOs' main goal to further enhance operational cooperation amongst TSOs to ensure the overall system security in the European electricity grid remains at a high level.

### TSCNET Services GmbH

The company based in Munich, Germany, is a joint venture of TSC member TSOs. Each of the thirteen TSOs from Austria, Croatia, the Czech Republic, Denmark, Germany, Hungary, the Netherlands, Poland, Slovenia and Switzerland holds an equal share and interest in the company. TSCNET Services has two Managing Directors: Alexander Wirth and Siem Buijns. The management reports to the Supervisory Board (chaired by
